What is Canvas?

The Canvas **Learning Management Platform** allows schools to build the digital learning environment that meets the unique challenges faced by their school/university (institution)
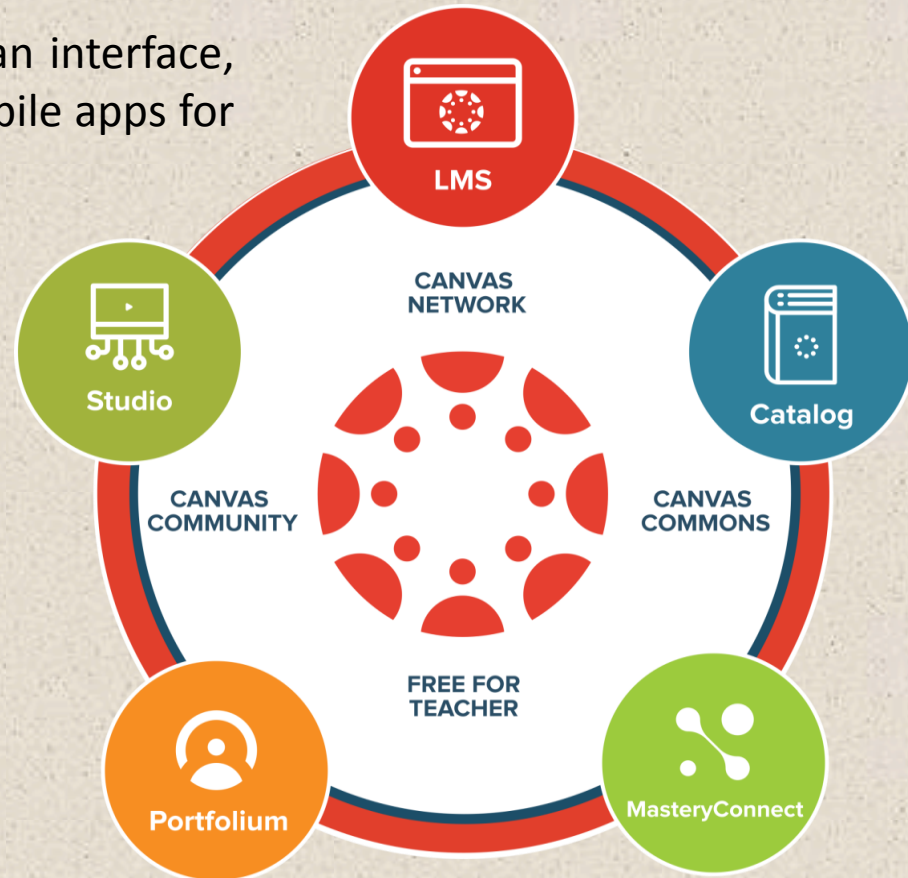

It is a flexible, easy-to-use platform with a clean interface, rich multimedia capabilities, and dedicated mobile apps for both students and instructors.

**Instructure, Inc.** is an educational technology company based in Salt Lake City, Utah.

It is the developer and publisher of Canvas, a Web-based learning management system
